MEMORANDUM FOR: Director of Training

SUBJECT : Training Course for Security Officers

REFERENCE : Your Memorandum to me, Dated 13 November 1956,
Same Subject

1. Your proposed six week program of instruction designed to satisfy a need shared by all trainees for overseas Security Officer assignments has been thoroughly studied and found to be very satisfactory. I am pleased with the proposal and wish to thank you and the members of your staff for your gratifying cooperation in the production of this "OTR Package Course for Security Officers".

2. Representatives of your Intelligence School have advised us of your capabilities of presenting this "Package Course" for the first time during the period 13 May - 21 June 1957. I am taking steps to enroll between 10 and 20 students from the Office of Security in this initial offering of the course. I am confident that we are hereby beginning an arrangement which will provide a most desirable program of training for my people in the years to come.
